FRESHMEN SEMINAR

☐ FYS 11 / OCD-01
--

¹ENG 15 is recommended for the second course in this sequence.

²MTH 21 or 23 is recommended.

³Students may select either a 4-credit STEM variant science course or a 3-credit science course to fulfill Required Core C. Students selecting a 3-credit course must also complete an additional 1-credit lab course to fulfill graduation requirements.

⁴Select from any Modern Language listed at appropriate level with the exception of ITL 123. Students who enter with successful completion of two years of a foreign language in high school have fulfilled their college language requirement. These students will take additional language coursework or choose other free elective credits.

⁵Students should see the language requirements at the senior college to which they are planning to transfer and consult with an advisor about using free elective credits to complete a two-semester modern language sequence, if needed. Select additional free electives in consultation with Performing Arts advisor.

Notes:

- Students are encouraged to begin transfer planning early in their academic careers. Please visit the Transfer Planning Web site for the timeline as well as information on articulation and transfer: <http://www.bcc.cuny.edu/TransferCounseling/>
- The Performing Arts option articulates with SUNY Empire State College. See the Transfer Planning Web site for more details.
